“ Colin’s 16 year career at MEDITECH was an important and fulfilling part of his life. In fact, Colin insisted on continuing his work right up until two months prior to his passing. He joined the Weekend overnights in 2015 continuing to show his knowledge of BAR/RCG and ABS. We all remember hearing his conversation with customers, his voice was a balm for customers, a reassurance during moments of frustration. He maintained this unwavering commitment to providing excellent customer service and a testament to his character. Colin carried himself with strength and dignity as his disease progressed and often consoled others. His positive attitude and strength was an inspiration to those around him. We are all cut short, so robbed of his full life. So lucky to have called him friend.

We will miss Colin's spirit, wit and smile. Our thoughts and prayers are with Colin's loving parents, his daughter Ceci, the entire Daley family,

From the Weekend Overnight group (Family).

“ I worked directly with Colin for a few years and from the very beginning his overwhelming kindness and concern for people was obvious and admirable. This world needs more people like him with unwavering compassion. May you be at peace and pain free Colin and may your daughter always know what a great man you were and continue on your legacy to others. ~Shannon Coppolino

“ Dear Daley Family, my heart goes out to you at the passing of your precious Colin. He was the bravest cancer patient I ever met. He wanted so much to live with his sweet daughter Ceci. When he went to Ireland with his mother, he always brought me back a very pretty gift. When I was in a Rehab, Colin was the first one to visit me and we talked for hours. Colin was a wonderful, excellent friend for my son, John. My family and I will always remember your son, he was a bright light in our lives, so loving and kind. Rest in peace, dear Colin.
