“ Dan, It has been a long time but you are such a blast from the past. We went to school together, worked for the carnival, and at one point we were in the same group home for "troubled" kids. I guess we turned out okay. I am sorry to hear that you are not around anymore with so much going for you. I am thinking of your family and hope the best for them through this. ”

“ May your spirit soar in freedom from the fears that gripped so tight. May you find the peace you searched for as you wandered, lost, in the night.

May your tortured mind be clear and calm and your tender heart be warm.

May you have no need for strength now.

May there never be another storm.

May the music of the angels be the sweet sounds that you hear.

As you're rocked in Heaven's cradle, may you never shed another tear.

I'll wear your memory proudly, my little brother and also my friend.

May my love for you reach Heaven above until we meet again.

“ Daniel, you have touched and warmed so many hearts over the years. You my dear, sweet, friend is someone I will NEVER ever forget. You hold a very special place in my heart. My deepest condolences to your family and of course to Nicki, Danny, Liam, and Q. What a fantastic fiancé to Nicki you were and an even more fantastic father you were Daniel. You were taken too soon. You are a loved man, truly loved by so many. You always knew how to put a smile on someone's face. To your family, I am deeply saddened that I cannot be there with you all at this tragic time due to severe medical reasons. Please know I am there in spirit and if there's anything I can do from a far to help, don't hesitate to ask. This still seems so unreal to me, to all of us, and we ALL want you to come back home to us Dan. Our memories together will always hold a very special place in my heart. I love you my dear, sweet, friend. May you rest peacefully now in a better place

“ Please accept our most sincerest condolences. Our prayers are with you and your family. May God grant your family strength and serenity through this difficult moment your family is enduring. God has promised us that we will soon be reunited with our loved one. "There is going to be a resurrection," the Bible confirms at Acts 24:15. "Do not be amazed at this," Jesus assures us, "for the hour is coming in which all those in the memorial tombs will hear his voice and come out"-John 5:28,29

“ I wish we could have been closer but we are still cousins and nothing can change that. I'm glad I had the chance to catch up with you on Facebook and see how far you've come. Those boys of yours always made you smile that beautiful smile! You're gone far too soon but God has other plans. Fly high with those angels Danny boy!
