“ *Dear Karen and family,
Still cannot believe this news, and am so sorry for your loss.
I always knew Dan was in the office because I would smell somewhat burnt cinnamon toast, as he would use a toaster in the cube right in front of mine :-)
He will be remembered not only for that, but for the many good times we spent together as a team. His expertize on the applications will be sorely missed as well.*

“ *The World lost one of the most wonderful human Being's God put on the face of this Earth. On September 11, 2018. Much to young before his time. Danny was not only a great Person who was always there to help his friends at any moment, but would also help complete stranger's. Danny was a True " Lion " in school he was the one upper classman you emulated, because of his kindness, his athletic abilities in any sport, his leadership, his wit would keep you laughing for hours, his wisdom will last me a lifetime. Danny truly loved and cared for everyone no matter how old or young he included anyone and everyone everyone felt his love and true friendship.*

Danny spent many hours at our house, with friends the whole "Crew" were a "Family " growing up in the village of Stowe was a magical place to grow and explore as a kid and come back to as Adult's. In later years Dan always kept in touch, he met my own Family and would arrange to meet in Boston and be the Beantown Guide he would get Bruins ticket's , Red socks ticket's I would bring my young Son's they couldn't wait to see "Uncle Danny " ride the subway while danny gave the tour. Danny got his "WINGS " many years ago from his good deeds for other's. Not many people get a second chance Daniel did with a Wonderful Woman his Wife Karen, a Wonderful Son Daniel Jr. and had a beautiful young Grandson and a nice dog named Molly, a Sister Alice and his Brother Paul. He also leaves behind countless number's of Great Friends -I mean countless ! Daniel's passing leaves a hole that will never be filled . I was truly blessed to have been his Friend and Daniel mine for a lifetime. Mt Friend ,my mentor my extended Family. God bless you my Friend you are and always will be missed. All my Love Doug
