“ Dear Martino Family, I am deeply saddened to hear of David's passing. I met David back in the late 80's through a fellowship of Strength and Hope. We became good friends for many years to come and got to know of each other and our Families. I enjoyed Dave's friendship and our adventures on weekends and some good laughs. He was a generous person and helpful to others. He will be sadly missed. He will forever be in my thoughts as you will be in my prayers.

“ *I remember David since he was born since he was a nephew. He always had a quick smile and a happy greeting when you saw him. I will miss that. I still remember a little boy in a red shirt and shorts at my son's first birthday.
David, may God greet you with a smile and a huge hug and guide you to Grammpy and Gram who will be waiting for you with their arms open to greet you.
I love you David.*
