“ I grew up with David from 5th grade. I can remember going swimming in his backyard, and just hanging around with all the other neighborhood kids. David was a good soul, and he will be missed.

“ *It was an honor to love and care for David. I find peace in knowing he's no longer in pain. It was my pleasure to be your "Shelby" while taking care of you at the nursing home. My thoughts and prayers are with you Shelby while you navigate through this tough time. ~ Haley C (Wachusett)*
