“ When we met Dave some 10 plus years ago in the ski club he was very welcoming. We had a connection with some of my Leominster friends and family. I always looked forward to seeing Dave on ski trips, events, and board meetings. He became one of my favorite people in the club. I talked to him often about what he was going through and I would ask for an update when I saw him. He was forthcoming to me and I appreciated that. I still can't believe he has left us and will surely be missed. Rest in peace my friend.

“ David, RIP. Loved hanging with you and talking at the ski outings. I remember the time I lost my ski's coming down a VERY steep and LONG mogul hill. Talk about run away skis. Thank God you came to the rescue, dove across the mountain, caught both skis, preventing them from going ALL THE WAY DOWN. Although I don't ski anymore, it was nice to catch up with you and Laura down at the mall. You will be missed.

“ *My favorite memory: Our Holiday dinners together or parties! I loved our big Italian family getting together. David and I were the trouble makers. Yes, we were the middle children and always up to something. the other kids were older or younger or, were too smart not to get caught lol. Miss you already!!!*
