“*Robin.....Gary....and whole Whitney family....my heart goes out to you all. Nothing beats the old days when I would cut through a mile of woods over to Dave's house on Main Street when we were kids to go fishing in harbor pond. Last time I had seen Dave was about 1981, until I had the pleasure just a couple years ago of bumping into him at both Ayer and Littleton Aubuchon Hardware. Really great guy..so sorry for you all and your loss.*

“ Dave you were a great friend, I will always cherish the times we had long conversations about our past. And reminiscing about all the mutual friends we had growing up and all the places we use to hangout. It always amazed us both how two guys from different lives could have had so much in common. You will be sadly missed my friend.. but I am so glad I knew you and shared so many laughs with you over the years and all the memories we shared will always be special to me....till we meet again...your friend....Dave or as you always called me "Davey "
