“ *Laurie and Kim we were so sorry to hear of your mom's passing. When I first moved to Townsend with three little ones, including a newborn, so far from my friends and family, your mom was the first person to welcome me. Denise became such an important part of my life, helping me adjust, giving me advice and allowing me to have two of the most wonderful young ladies as my kids babysitters....Along with your Mom I have such fond memories of you girls and your Dad too. I'm sending my love to all of you at this difficult time. Maureen and Jack O'Gorman*
