“ Dan, Dennis and family. So sorry to hear of your dads passing. I remember working with him in the twinning dept. He was a hard worker with a great sense of humor. He will be surely missed. My thoughts and prayers are with you as you go through this difficult time.

“ Uncle Denny, You were always kind to us when you stayed at our house when we were kids, you were kind to me when you had coffee at my house with my Mother and you were so kind to me when you called me after my Mother passed away. Rest in peace Uncle Denny, you earned it, and thanks for the good memories. 🙏
