“ *My sincere condolences to Bob and family!!! I had no idea she had passed.*

Many years ago (when I was a young brassy ballsy woman) I met Dolores at Chartered Buses. She was very involved in the Union and I irritated the bugs out of her. But we grew and we aged and we found compassion and friendship. In our more recent years she would reach out with kindest words and the best support as I continued to grow into a much more gentle person. Bob, I am so sorry for this part of the journey of loving another - but it is a testament to love. Lots of love and light to ease the grieving!!! A friend always, Nancy Kelly
