

## Dominic M. Filice

September 2, 2017

He was born in Fitchburg on August 19, 1997, a son of the late Ruben Filice.

He attended Fitchburg schools up until the third grade, before moving to Londonderry, NH. Dominic was currently working for the Triton Construction Company of Nashua, NH.

He enjoyed football immensely, and soccer. His favorite team was the New Orleans Saints and Argentina for soccer. His dad and brother Stephen were his very best friends, and he loved going camping, fishing, with them both regularly. He had many friends that he loved camping, fishing, snowboarding with and PlayStation/Xbox Gaming. He took his friendships very seriously and was loyal to all. He is the sign of Leo and has always demonstrated very strong traits. He will be so greatly missed by all who loved him. His birth flower is the sunflower, his favorite color red. He was an extremely hard-worker, determined, and gentle but wouldn't let most in on his gentle side. He loved horsing around and was a natural jokester with all. His teachers and coaches all admired him greatly. We are so proud of the life he lived and all the people that he touched along his journey. We know he is still with us in our minds, hearts, and souls as he's been showing signs since his passing.

Dominic leaves his mother, Julie A. Filice and his step-father, David Edwards, of Derry, NH; a brother, Stephen E. Filice of Chelmsford, a half-sister, Lindsay

Clark, of Colorado, a step-brother, Matthew Edwards, and a step-sister, Sara Donnelly; his paternal grandmother, Rosa Filice, of Chelmsford; his maternal grandfather, George Cormier, of Sterling, a niece, Divinity, a nephew, Geovanni, and many aunts, uncles, cousins, and his girlfriend, Emily McCarthy.

*One year ago today was the day I received the call. The call that every parent fears. The call that became permanent. The call that changed our entire family's life. The call that brought me closer to God and closer to my most inner thoughts and emotions. The call that absolutely broke every one of our hearts. It's been 1 full year of every emotion imaginable. Anger, Guilt, Resentment, Blame, Solitude, Grief but also Peace, Love, Faith, and Celebration. You are in God's hands now my sweet boy. I think about you every single day, every minute of the day, and every hour of the day. Whether it's a song, a movie, a joke, a moment at home or out and about. I see other young men about your age that either brings a tear to my eye or a smile to my face. I never know which one it's going to be. I can be slapped with Grief and a heart wrenching cry at any given moment. Your death was the most difficult event I have ever had to experience. I ask God everyday how you are doing. Of course! you're doing wonderful! You're in Heaven! What could possibly go wrong there?! You are in the most Amazing place with your father, paternal grandfather, great grandmother, maternal grandmother, great grandmother, your best friend Nick and your favorite football coach the late Dennis Donnelly who I know is visiting with you as we speak. You have all of them with you especially God. God loves you and will take care of you eternally. I will continue to selfishly miss you on Earth and visit your gravesite every chance I get and celebrate your life with all of us now and until the day God calls me to join you Dominic. You were a beautiful soul and I thank God for you and Stephen, my 2 precious gifts in life. Love Mom*

“ *My sincerest condolences to your family. As your parents have been life long friends of mine. I loved you boys as if you were my own. My heart has been so deeply saddened as I know how much you were loved. From the very day you were born. I will never forget the joy you brought to your parents. So much love and pride for Julie and Ruben's first born and of course sweet Stephen to follow. Even though we all had been separated at various times me and my kids cared and loved you. I know you are at peace rejoicing with your Dad. I will always be here for your Mom and brother..as I truly know you will guide them.*

*My love for you and your family always!*

“ Oh my sweet Lion Child. I can't even believe this is happening. I was so blessed to have you as my first born. You had such an amazing smart mind. I remember so many wonderful stories about your childhood that will help me smile moving forward. It's going to be tough not melting down every time I hear a song, or watch a movie, and plan for holidays. You were so charismatic, funny, and a great listener. You devoted your ear to listen to friends and their issues or needs and always offered advice, and supported them. You were extremely loyal. I'm a proud Mamma Dominic. I will always love you with my heart and soul. RIP my sweet, sweet, beautiful boy! XOXOXO Love always, Mom and keep those signs coming and stay near! Watch over Stephen sweetheart! I know you are getting big hugs from Ruben, Abuelo, and Big D! Memere and Nona can hug and kiss you again! Say hello to all for me too until we meet again.
