So sorry to read this. I knew I had a (2nd,removed once) cousin Don MacLeod in Townsend when I read of his father's passing a few years back. But I did not know where he lived or what he looked like. Now that I see his pictures here, I remember seeing him, probably at events at the town common. Sorry I did not realize who he was then. I knew his father quite well, as he would always show up at family funerals and because he always manned the MacLeod booth at the Highland Games in NH. And I met his great grandmother, Sadie (Sarah Ann MacPhee Myers), when we went to visit family members up in PEI in the early 1960's. She was my grandfather's older sister. I did meet Don at a family event, I think it was at his house in Lunenburg, at about the same point in time. His sister and I discovered we could wet our fingers and not get burned by candle flame. Oh well, RIP.
