“ I grew up in your house both on Myrtle Ave and then on Phillips st and always felt like a part of your family. My fondest memories growing up was the freedom you let Kim and I have. We would make Mac and cheese in the early mornings while skating in the kitchen to Donny and Marie. I love those times. I don't know if you actually knew what we were up to or just let us be crazy kids. I also thought you were so cool being the driver to your kids and husband. I will miss seeing you for your birthday parties at John's. You were so loved by your family and friends. Rest in Peace. You are with Jesus now and Lana and your loving husband.

“ So sorry to hear about your mom (Kim, John & family), she was so nice to me when visiting as kids..always had Mac-n-cheese for us to make at any late hour of the night (which I'm sure she heard us giggling in the kitchen ❤️) She defiantly was a wonderful mom & support to you all. You are all in my prayers! 🙏🙏🙏
