“ *Joy, the greatest gift your mom gave you was being there for you in your early years. The greatest gift you gave to your mom was your being there for her in her later years. Please know that you are a strong, brave and beautiful daughter who allowed your mom to keep her dignity and stay in the comfort of her own home. God's love to you my friend.*

“ We will always remember Aunt Dottie for loving her family, life and being such a fun-loving storyteller and adventurer. The hours spent talking about her travels, childhood and family were a great source of entertainment. The outings we got to share with her were few in comparison to the many she had, and were always enjoyed by all who participated.

We will miss her laughter and conversation as well as the love she had for the decadent desserts we shared at every celebration. Most of all, we will just plain miss a wonderful woman, mother, aunt and friend to many over the years.

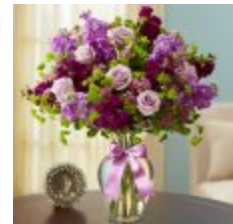

Our sincerest condolences to you Joy. We will be among the many who are here for you to help get you through this difficult time.

Love,
Laurie & Scot
