“ I'm sad. Ed was my friend, as was Denise. We became friends after becoming next door neighbors for 25yrs. We would chat outside and visit inside. We shared our lives, both the good and bad. They watched my son grow up and even met his daughter. We shared food and stories. I saw Ed in February this year, I got a big hug and kiss, and he said we had a date to visit at the Fish Fry. Peace be with both of you. You are and will always be our dear friends💜🥹
