“ Stan you will always be remembered with warm memories of one of the best working relationships we've ever had. We miss the laughter buddy. For us you were always one of the guys that made a correctional job fun. You are gone way too soon. In our hearts forever. Matty and Mary.

“ There are no words that can be said for losing a child. Even though he has grown into a very handsome man he is still a child in my eyes. May he soar with the angels and look down on all his loved ones. He was loved by all. I pray God takes him into his loving arms. He has suffered enough with diabetes since a little boy. May God bless the family and all who knew him.

“ So sorry for your loss. I worked with Stan ,as we called him at work ,for many years with 3 of those years being his partner. When I first learned that I was going to be partners with him I had never met him before however knew he had some time in and me being relatively new was a little apprehensive. I can remember his first words to me like it was yesterday“ listen new jack I have more time on the shitter then you do in the business” then he laughed and I thought ok I can work with this guy. He was a great partner and an all around great guy and will be sorely missed. Rip partner gone too soon.
