“ I love you Grammy, i will always cherish the moments we shared. You were my safe place as a child. Most of my happiest and fondest memories as a child was being with you, Chrissy and Angel at your home. You showed me love like no other! Nobody ever had to ask me twice, if I wanted to go to my Gma’s house. I was the 1st in the car on arrival and last to leave on departure from your home. Love you! And I thank god for allowing you to my grandmother. Xoxo
