

## Francis W. Stanton

January 31, 2018

Francis was retired from the US Army and was a member of the 1st Logistical Command at Camp Evans in Vietnam. He devoted several years as a Service Officer of the Disabled American Veterans Chapter 82 in Port Charlotte, FL and later became the Commander for two years before he gave up the position due to health issues.

He will be missed by all that knew him, especially his wife Joyce, son Jason and daughter-in-law Christine, brothers Robert and Richard, and especially his granddaughters Maggie and Claire.

While the last few months of his life were trying, they were also some of his best, as he was able to spend invaluable time with his grandchildren- reading them stories, playing Barbie's or all of them cheating at connect four or bingo. Francis was the kind of loving, kind, honest, respectful, helpful, humorous and intelligent man that impacted those around him in ways that will continue to make this world a better place for generations to come.

“ Frank was so kind to me when I was sick and he would drive me into Boston to my Drs. appt. He was also a great Techie guy to know. Very smart. I will miss you Frank and your kindness. I hope you and Dave are together having fun watching those Patriots!

“ What a touching obituary... Frank was such a great guy, always fun to be around, we will always remember the times we spent with him. Much credit to Jason and Chrissy, Maggie and Claire, and Joyce for giving and sharing the great life he had, in good times and bad.

Much love to all. xo
