“ We go way back with Skip, late 70's, living in Derry, working at Digital. He was best man at our wedding. Always a great guy, a great friend. Unfortunately we lost touch over time. But it's still with a heavy heart that we have to say good-bye.

*Our condolences to the family.*

*Rest in peace.*

“ It was a pleasure to know George, he had fixed an old wind up pendulum clocked ours and it is still working today, I also had the pleasure of playing horseshoes with him in the Townsend Horseshoe league. Very talented man. He will be sadly missed. Our condolences to the family.

“ We fondly remember George as our long time next time neighbor. He has always been a guy with bright smile and a hardy laugh. If you needed a hand with something, he was there. I'm sure we weren't the only ones with regrets when he retired from clock service/repair. It seems one of his favorite pastimes was working on the yard with his ever faithful riding mower and trailer, and we could always tell when George was out and about enjoying the day. We will miss you old friend, and hoist a glass to your memory from time to time.

Lovingly,
