I met Bert many years ago as he coached my son, along with his own, on a soccer team. The team didn't win every game, but the players learned how to play hard while having fun, work together as part of a team, and always be respectful of others. He and SueAnn have continued to lead their lives in much the same way. They have become dear friends to me and Chuck. My heart goes out to you, SueAnn, for your loss. Bert's spirit will live on in the hearts of all those whose lives he touched.
