“ *Wow, I have so many memories of Gloria, where to begin? Over 45 years of knowing her, helping me through some tough times, just answering the phone and listening to me when I really needed a friend and I was there for her. Most of all, she was in my wedding and that was special to me and Tony. We didn't talk or speak much in the past few years but we would check on each other on occasion. I knew she was struggling and I dreaded this day was coming. I will love and miss her always. ❤️*
