

Harold W. Trenouth

May 23, 2017

He leaves his wife, Jane E. Greenough of Townsend; a daughter, Laurel; a stepson, Tris Stoll of Townsend; and a sister, Carol Garber of Uxbridge.

Mr. Trenouth was born in North Bay, Ontario, Canada, April 3, 1935 to Harold Vance and Helen M. (MacKinnon) Trenouth. He grew up in North Bay, and graduated from Ryerson Technical Institute in Toronto. He received his Bachelor of Science in Engineering (Electrical) degree from the University of Michigan and later received his Master of Business Administration degree from Wayne State University in Michigan.

Harold worked for the Canadian National Railway as a brakeman and also Canadian National Telegraph. After moving to the United States, he worked for the Ford Motor Company in Michigan and Ohio, designing oil filters. He then moved to Massachusetts where he worked as corporate facilities manager for Digital Equipment Corporation in Maynard for over 25 years, before moving to Townsend.

Mr. Trenouth was a 33rd Degree Scottish Rite Mason and recently received his fifty year certificate for long service from Nipissing Lodge in North Bay, Ontario.

Harold was a voracious reader and his morning ritual was reading the Wall Street Journal cover-to-cover without fail. He was known for his joke telling and carried index cards in his pocket with punchlines. He spent many years surf-fishing with friends on Cape Cod, and Plum Island in Newburyport in his truck camper. He loved traveling. After retirement, he took up brewing beer

and there was no dearth of "customers" for his excellent ales.

AN

“ Dear Jane,
I am sorry to hear about your husband's passing. Will miss seeing him at DCU. My sincerest sympathy to you and your family.

“ Laurel and family - so sorry for your loss. Another angel in heaven. Mom and Dad would also like to send their regards but computers aren't their thing. You will all be in our thoughts.
