“ *To Helen's family---may you enjoy all of your found memories of Helen. I was so glad that I got to see her Sunday late afternoon before she passed. I talk to her for about 20 minutes; although she did not answer; somehow I knew that she could hear me. She was an advocate for the Town Hall employees. She was a very bright intelligent woman with a flare for writing and speaking her mind. I so admired her spunk! I feel blessed to have known her even for a short time.*
