“ When I was 16-17 years old, I worked for Mr Belles. He was equally as kind as he was demanding of a good work ethic. He has always had very special place in my memory. RIP, dear man.

Thank you, Rich! He enjoyed his time at Groton Commons sitting on his swing and chatting with all the residents. He really wanted to come back and visit but was not possible to get him in the car to do that. Thank you for being a friend to him. Kim
