“ Sorry to hear about Jack. “Brigsy” -Jack was a friend from my past. We both worked at Victory markets and played softball together. He would drop by my house in Princeton every now and then. Always looked forward to seeing him. My son Ben would see him at Hannaford and he would always say- say hi to your Dad. Jack was a great guy.

“ I had the pleasure of getting to know Jack when he was renovating the kennel at NEADS. He was funny, loud, silly and happy to see the dogs everyday. I am so sad that he has passed but will always remember the laughs we had. He is the best angel heaven received yesterday. RIP Jack, you were a sight for sore eyes on the rough days. Your humor and smile will always be remembered...”
