“ We are truly saddened by "Captain Jim's" passing. Your family friendship with Angie and Dave the newcomers to Shirley from Canada made us grateful. Captain Jim would take us and all the kids out on the party boat when we came for a visit and travel around the lake pointing out areas of interest. We all felt so welcome and thoroughly enjoyed our time. Our sincere condolences with you at this time.

I didn't really know Jim, but what I did know is that his circle of family and friends loved him very very much. My prayer is thanks be to God that Jim is now at his side. I also pray Julie and all of your family and friends will be comforted by God and rest in Him. Enjoy and share all the beautiful memories of his life. Know that many people share in your grief and cover you in prayer.
