“ I remember Jim who was one year ahead of Judy and I who graduated in 1957. A very friendly guy but you had to be in Judys world. Belated regrets on his passing and hoping Judy is doing ok with that large family. Fond memories of a time long past. Art Shaw

“ I am just now seeing this of Jim's passing and send my love and condolences to Judy and the entire family. Jim and my husband Joe Croteau went to high school together and had lots of fun times back then. He will be missed by many. He always had something funny to say when I met him in different places. A few years ago he and Judy surprised us at our new home in Pittsburg, NH and we had a nice visit, catching up on old times. May he Rest In Peace.
