“ Uncle Jimmy & family.
I'm sad to hear of your passing. I remember & have pictures of you at Della's service. I love the pics Cora posted.
I'm sorry I can not be with you for your calling hours but know you have all been in my thoughts & prayers for days. I wish I could have spent more time with you & family. I recall when I was about 4-5, visiting Grandma & you chasing me around the dinning room table. I started screaming & my father (Yank) got mad & yelled at you!
Miss you, you now rest with all your siblings & other family members. Peace be with you all!
Love & Hugs,
