“ Jimmy was the nicest man, so sweet and kind! When you all lived across the street from us, he was the father figure in our lives. He would talk to us like we were little adults, he cared about us and always made us feel good. My heart goes out to all of you that are his family and close friends, I can't imagine the loss you are now feeling. It must be a surreal existence for you at the moment, thinking of life without Jimmy in it. But, I know you all carry a big piece of him in your heart and souls and you will forever, as I do so share a little bit of Jimmy each day with those around you and he will never truly be gone. God Bless you all! Love, Karen McCorquodale Baldyga
