“ You really make it seem so easy with your presentation but I find this topic to be really something that I think I would never understand. It seems too complex and very broad for me. I am looking forward for your next post, I'll try to get the hang of it!

“ *Sorry to hear of the loss of your mother, Brian. I have fond memories of taking tennis lessons with her in Acton. She was always bringing the group sun visors she had bedazzled.*
