“ Though no words can describe my sorrow for Jared’s parents’, sister, daughters’, and anyone else close to him, I must share my memories. Jared was truly, truly a kind soul. He was always unselfish and caring. He was like the brother I never had growing up. Sadly, we grew slowly apart as we got older, both having children and families of our own, but he will always hold a very special place in my heart. Rest In Peace Jared Allen. I will never forget all of special times together whether it be vacations in Maine, Hampton Beach or wherever else we ventured to growing up. You will always be remembered. Love ya Brother.
