“ Jaxx was the sweetest lil man. His laugh would make your heart melt. We spent alot of time together when Roxxe and Chris would go to work. It was our time. We'd sing and dance, watch Baby Bum together. He loved to ride with me in my wheelchair. We'd sit at an open window and watch the trucks come and go from next door and all the while he'd wave his lil hand to say hello to them. And because we didn't want to feed him a lot of sugar he loved his "Nene cookies" ( Ritz crackers). There are so many wonderful things I could say about My lil monkey man, I couldnt list them all. He was loved deeply and will be greatly missed by all of us. He was the reason I woke up every morning with a smile on my face. Jaxx, your Nene loves you and forever will. R.I.P my little hero.
