“ *My grandma.... Words can not express how much I will miss you. You were a large part of my life. From BBQs, parades, “the gold outfit”, Xmas eve, living 6 houses up from me, feeding me because I left your house last on my paper route..(maybe on purpose) just to sit with you and grandpa. Letting me use the Cadillac to bring me to my wedding, Looking up at the back then called “The Puritan”, to see if you and grandpa where watching from the window. I could go on. Always in my heart. Love you grandma.*

*Remembering so many happy times with Aunt Janet. From the time we were very little until adulthood, Christmas Eve was always the place to be at Aunt Janet and Uncle Bob's house. Always welcomed when we just "dropped in"... Pineapple upside down cake and so much laughter... My deepest sympathy to my cousins and all of their families. Aunt Janet led and good life and will be missed. Love, Anne*
