“ I only learned today of Jeannine’s passing from her sister Theresa. I am devastated and saddened at her loss. I will always remember Jeannine for her infectious laugh and sense of humor. “ I will always think of music when I remember Jeanine. She was such an enthusiastic member of the chorus and choir during our years at Ayer High School. She brought an infectious laugh and an aura of friendliness into a room that was truly a gift.

Few of us leave this world having made it a better place. Jeanine is one of those precious few - a woman who was kind, brave, and generous.

May her family and many friends find peace during this sad time.

“ Just heard about Jeanine and wanted to send my condolences to her family. Jeanine was an exceptional person. When we moved here from Canada, and couldn't speak English, Jeanine was a tremendous help to me. She helped me navigate through school and was always there for me. My only regret is that we lost touch over the years.

“ My deepest sympathy to Jeannine's family. I only knew Jeannine by telephone but we shared the same last name and called each other "cuz". She was my "go to" person for any insurance issue presented and she always knew the answer. Jeannine spoke very fondly of her two daughters Sophie and Naomi and how proud she was of them. I will miss Jeannine. Take care..
