“ *My memories of Jerolyn were always happy and fun. She and I did thankful messages to each other every day for years. It was something she and I would really look forward to receiving from each other. We had to put down in our texts what we were thankful for in our life. Also, as we were growing up our families had a lot of fun at Lambert's Beach in Shirley. Jerolyn and I would swim and enjoy the cookouts our families would have. She was a great dancer and taught me the jitterbug which was so much fun to do. Also, at her parent's house in Shirely she and all of our cousins would run in the back yard playing hide and seek. Those were the days. I will miss Jerolyn so much. I Love Jerolyn with all of my heart. Dorothy Mankiewicz*
