

Joanne Boisseau Bastian

December 1, 1935 - May 18, 2020

AYER- Joanne Boisseau Bastian has moved on to rejoin her beloved late husband “Jimmy” Boisseau.

She was referred to as Grandma by most that knew her or as Mrs. “B” by her many students at both Ayer High School and Lawrence Tech.

She was the daughter of John and Virginia Flynn and was predeceased by her siblings “Jack” Flynn and Dorothy Langlois as well as her ex-husband Stephen Bastian.

She spent most of her life in Lowell and raised her children in Ayer and Andover.

She was very proud to have been a Girl Officer at Lowell High School and a graduate of the New England Institute of Art. Her many interest included painting, teaching and the stage where she sang as a sweet Adeline alongside her dear friend Lee Toth.

She leaves her children, Brenda Boisseau, Jennifer Bastian and Susan Romano. Her greatest gifts were her children; her heart was always full when she spent time with her grandchildren, Rabiah Lee, DJ Trinque, Becky Trinque

and Kendyl Mills. She adored her great-granddaughters, Demi, Taeah and soon to be great-grandson. Her heart remained forever with grandchildren Samantha, Jacqueline and Kristina Romano.

Joanne will be missed by many including the staff at the Littleton Life Care Center where she was known for her beautiful smile and her silly sense of humor.

“ *JoanneIf you could read this today, you'd know how much you've meant to me even though I didn't get to see you as often as I wish I did. You were such a delight...fun ..and talented. Our early days when you lived here in Tewksbury, were particularly wonderful. My daughter even babysat your girls. We met because of our love of singing and performing and we continued our friendship when you chose to join my chorus in Arlington and we kept on performing together. You never held back what you were thinking and that is another wonderful reason we were good friends. Lots of memories. Your friends and family will always think of you lovingly. God Bless you, Joanne...Barbara Braxten...(BB)*

“ My Mom, Joan Neu, was a teaching colleague and friend of your Mom. Joan thought that your Mom was an exceptional teacher, fashionable, fun and interesting. When Joan would come back from spending time with Joanne, she always talked about how glad she was to see her.
I'd like to think that my Mom and your Mom have reunited, are looking stylish and sharing stories.
I'm sorry for your loss and will also remember your Mom for her fashion sense, always great haircuts and visits to your home to hang out with my friend from the Brownie Troop, Brenda
