“ Tobe, If I looked up "devoted daughter" in a dictionary, I am sure to see your picture there. You loved your mom and cared for her during an incredibly challenging time. I am sure she was comforted knowing you were always there for her, always loving her. Now she and Murdo, "Mack" are together again. They will continue watching over, and being proud of their legacy----their kind, compassionate and caring daughter. I love you and I am so very sorry for your loss.
