“ So sorry for your families loss Robin it has been years since I have seen you i do remember seeing John from time to time. You would have known me as Debbie Flagg Misner

Debbie Cartin - October 01, 2018 at 08:15 PM

SG

“ Even though you didnt like to attend big gatherings, it was always sweet that you would wait with your wife while she socialized until she was ready to go. You were quick with witty comebacks and when you did smile, it was so bright and contagious. You worked hard for your family, and you will be so missed. Rest in peace uncle John

“ John i never really seen much of you because you were a very private keep to yourself kind of person. But when i dis see you ut was always an adventure with you picking on me. I will miss your grouchy self. In glad i was able to be with you before yoh passed i know that you heard me when i was talking to you. I love you and will miss you. And i promise i will take care of my sister and nephew as best as i can. RIP
