“ Oh the memories - the Sitzmart, Raffles, Pal Joeys, Singapore, Scampys, wet willies, 4th of July parties, TAG and TAG reunions - I could go on but anyone who knew him will remember these and many more.

John was a good friend. He will be missed. Thank you for the memories. There is one hell of a jam session in heaven now. Our sincere condolences to the Godek family. You are in our prayers.

Speak his name often and remember the memories and he will never be forgotten.

“ John, we'll always remember spending holidays with you and Norma. There were so many...4th of July, Thanksgiving and oh the Xmas parties! Remember when the kids were older and you would play the Twelve Days of Christmas and you used to get frustrated because you had to stop so many times because we screwed up our lines? The ones that were most endearing were when the kids were little. You put up this website that showed a depiction of Santa riding on his sleigh to Massachusetts. You had all the kids sitting on the floor around your desk. Let's see there was Haley, Tori, Russell, Danny, Jackie, Joey, and Christina. They all sat there not moving a muscle except for their eyes watching that sleigh. As soon as it showed Santa landing in Massachusetts, there would be a knock on the door. The kids would be running and screaming, "Santa, Santa!" Norma would slowly open the door and there would be Pif in that splendid Santa suit with a sackful of gifts! The kids would be screaming with delight, waiting for their turn on his lap. So much laughter! So much fun! Because of all those parties, your nieces and nephew became our nieces and nephew and our kids are like cousins. Thank you for that John. May you rest in peace. Love,
John and Nancy
