“ Peace to John. I am gratified to have John's family remember St. Joseph's Lakota Indian School. I just returned from a 3 week medical mission right there. There is genuine need and their is no government support for the school. The Catholic schools and education are the only Lakota Hope to break the cycle of poverty, joblessness, and depression. A worthy cause, typical of John's thoughtfulness and compassion.

“ My condolences to John's family. I had many wonderful conversations with John when we both worked at St. Mary's Parish. He recently stopped by and told me a story about when he was a boy, just like old times. RIP John

“ *John, Jimmy and Theresa, So sorry to hear of your dad's passing. He was such a nice man, who was always a pleasure to talk with. I have very fond memories of him growing up, especially as I got older and he met my husband. He would tell Lee to be nice to his girlfriend. Special place in my heart for him.*
