“ *Julie & all the Welton family,
I am so sorry for your loss of John. Our thoughts, heart and prayers
go out to you and your family.*

*You will shed tears that he is gone,
And you will smile because he lived,
You will close your eyes and pray that he will come back,
And you will open your eyes and see all that he has left.
Your heart will be empty because you can't see him
And you will be full of the love that you shared,
You may turn your back on tomorrow and live yesterday,
or you may be happy for tomorrow because of yesterday.
You will remember him and only that he is gone
but you will also cherish his memory and let it live on,
You will definitely cry and close your mind be empty and turn your
back,
But you must do what he would want: smile, open your eyes,
love and go on.*

I am shocked & saddened to read of John's passing. I met John
back when I worked in Shirley many years ago. And, would run into
him occasionally thru the years. I always enjoyed our chats. My
