“ So sorry to all of John`s family members about John`s sudden passing. I knew John back in grade school;4th,5th,and 6th grade. One day in the 4th grade he showed up at school with bruise the size of a golf ball under his eye from a sledding accident. Under his rugged exterior he was always very fair minded. He would sometimes go after school yard bullies. One time in the 5th grade I was trying out for Little League and not playing very well he came up to me and said "you did good Robert". I will never forget his kind words. Sincerely Bob Thomas

“ Dear Denise and the entire Cleveland family, I was heartbroken when I heard the news. Please accept my condolences. As you know Jon Peter and I were great buddies. The memories will be with me forever. Joining the navy together on the buddy plan, sharing an apartment together on Washington St in Fitchburg when we were discharged. Btw that's where I had Denise's homemade pea soup for the first time. Still haven't had anything like it. Spending time on Hollis Rd with Buster, Alice, Ted and the girls. I could write a book but I'll save space for others. RIP Jon Peter

“ I have so many fond memories of adventures with Jon Peter just having fun and enjoying life. He was always ready to greet you with a smile and a hardy handshake. He was a personality that you couldn't forget, joking and laughing. He could be serious too but had the attitude that if you're not enjoying what you do, you're not doing it right. I will think of you often Jon with a smile but also with a regret. A regret that I didn't get to talk to you and share some laughs with you just one more time. See you in the afterlife buddy.

“ *Our condolences go out to the entire family. Jon and I enjoyed many good times together many years ago. We used to run all the way up Mt Monadnock in the winter months covered in ice and snow, and run all the way back down without stopping. Also would take trips to Vermont, upstate New York and Canada back in the day. He never lost his thirst for challenges and adventure and although younger than myself, was an inspiration to me and good friend I'll always remember. He attended my wedding and was one of the gang. Rest in peace Cleve.*
