“ *Joe and Betty have been and are truly blessed to have a niece Linda and a great-niece Jess. There are not many people let alone "relatives" that give their all when a family member is in need. What they do comes from their hearts and God has been watching. My thoughts and love go out to them both and also Aunt Betty. Uncle Joe is at peace and will be watching from above with no more sickness or pain. He was one lucky man. Bless all of you with the wonderful and heart breaking memories that you now have. You will never have any regrets for what you did not do for Uncle Joe. My love goes out to all of you. Paula and Charlie*
