“ My father worked with Judy years ago at the phone company right on Pleasant Street. I would go to work with him sometimes & she would let me play with this huge circular bin of phone numbers (I assume) & I would spin that thing for hours. She always had lollipops for me. She certainly loved life & I miss seeing her walking Pudge around Main Street. What a wonderful woman.

“ I am so surprised to see Judy's obituary, She was such a vibrant person. Judy and I grew up in Pepperell and attended Groton Street School before her family moved to Ayer. I recognized Judy immediately in 2008 when we met up again visiting our mothers at the Apple Valley extended care facility. We enjoyed catching up after so many years. Sending my heartfelt sympathy to Judy's family, and may God hold her in the palm of His hand for eternity. Marilyn Milan Kab, San Diego, CA

“ *Judy was like a second mother to me growing up and Lisa was like a sister. Judy let me tag-along to Whalom Park, Kimballs, the movies, shopping just to name a few. I always felt at home with the Cote's. There is a story I have never forgotten about, it involved Judy, a Bat a broom & my Dad. I chuckle thinking about it and share in her dislike of Bat,bugs,etc.*

Frankie Lisa, David, Donna and your families I am Sorry for your Great Loss & hope your many fond memories of Judy will help your thru this difficult time.

“ *Frank*

We are saddened to learn of Judy's passing. I remember from the old days with you as our neighbor and Judy as a best friend to my sister Rae during their high school days, how friendly and fun loving Judy was then. I'm sure she kept those same traits throughout her life. We will remember her that way. Our condolences to the Cote family.
