“ Susan and family - You have my sympathy for this difficult time. But I know you have many good memories. Your mom was a wonderful lady. Always smiling and ready to help and ready to laugh. God bless you all.

“ Sorry for your loss Russell and Susan. My first family friends were you and your caring parents! I fondly recall my rides with your mom when she commuted from Shirley to Historic Deerfield for work for a year. I'd visit you and in our travels she did not listen to the radio. In the 1970's we'd talk - a lot. I remember meeting your family at the lake and at the Winn Family home. I recall flipping a canoe more than once. Please keep me updated on her celebration of life. I'd love to see you both (Susan and Russell). Great job caring for your wonderful mother. Always smiling - I can hear her laugh as I write

“ I will miss you Aunt Judy and remember so many fun family times as my siblings and your kids growing up together. You and I had the retail connection as I got older and we boo hoo'd at holiday time so exhausted but it 😊. Fly safely to family and be at peace now. Much love, Gail

“ Judy Hindle - a friend for some 50 years of fun and laughs! Our relationship began in 1970 when Judy & Tom lived next door at Bement, making it easy to get together for bridge and still check on sleeping kids. Weather permitting, we enjoyed tennis doubles which was always more of a laugh than serious play. Memories of matches include a visit to South Dartmouth and outings at the Cape. Then there were the countless dinners together, both at home and at local restaurants. In the process of these various adventures, it became a pleasure to watch the kids grow up and - over the years- to hear about Russell's life in N.C. and Susan's growing family. I particularly recall the pleasure Judy had from making clothes for Riley and McKenzie - especially those capes! It was more difficult to keep in touch after Judy's divorce and move to various locations, but we did stay connected - enough to remember a number of moving sagas that were not pretty. At one point, I suggested visiting in Florida, but by the time we got around to arrangements, Judy was ready to move again. The last time we were able to go out to lunch was from her living facility in or near Shirley. Within the past year, I am glad to have had a final meeting with her at the Manor on the Hill in Leominster. Although she was clearly failing, it was gratifying to think that I could trigger some smiles in reminiscing about our rich and long history. She will be missed, but I do hope that her memory will be keep alive through ongoing connection with Susan and her family. Kudos to Susan for the incredible job of caretaking her mom. Love and peace - Joan, for all of the McKelveys

“ Years ago I met Judy & Tom at Scot's Glen. She was very talented. We made sea gulls out of felt. I'm sorry for you loss.
