“ I found a song that made me think of you Mom, Dancing in the sky. I hope that is what you're doing. My heart is broken not having you here with us but I know you are with Dad, your Mom and Dad, Win and Jesus. Even though it hurts you aren't here right now I try to remember what you always told me, this is just a temporary place and we'll all be together again someday. I hope you are dancing with Dad, singing with the angels and watching over all of us. I'll love you forever Mom and will see you again ❤️

“ My sister-in-law Judy & her husband Mike loved their family & friends. They hosted every holiday gathering at their home in Holliston. Their home had the largest Christmas tree, decorated to the fullest including hand-strung popcorn strings! One year, Judy made beautiful ornaments using bright red, green & white fabrics & tying red ribbons on each. She gave me 6 of them that I have hung on my own tree for over 40 yrs!
Family was so very important to Judy! She came to our house at 7:30 am the day after we brought home our daughter, Kaity. She had baby clothes, diapers & a jungle gym play mat & loved our new baby! She loved all babies & worked for years in the daycare center in Holliston! Her biggest smiles as of late were when she could hold her great grandson Aiden. Judy was a great friend!
