“ *Oh Judy! So many wonderful memories in these recent years! Crazy loud bursts of laughter over the smallest things - my favorite moments. The tears of sadness we shared, praying hands and hearts sealed the bond of faith and friendship. We sang out loud, thought not very well, a time we never forgot -we suffered much teasing about our performance with laughter we could not contain. She was our go to Welcome diva as she greeted new residents with kindness and humor. Judy invited, encouraged and tracked residents as they participated in evening sing a longs. Residents came to appreciate her outreach service as she organized a Rosary group during the pandemic. She is loved by her Crossings family. Above all else I wish to extend my deepest sympathy to the family that Judy loved above all else, full of pride and joy. Thank you from the bottom of my heart for sharing the blessed gift that is Judy. Sending you prayers and Blessings, Love Rhonda*
