“ Karla was a lovely person. I have fond memories of her when she worked in the Prep department at NEBS in Townsend. We were part of trio of people who sometimes dealt with problem orders, along with Winnie Martin. The joke was always "how many Martins will it take to fix this imprint"! Fortunately, it never exceeded three. Rest in peace, Karla.

“*Karla will be sorely missed. I remember her telling me how she loved my Dad and even though she was a grown woman , she would always call him Uncle Bob. She told me how my Dad brought her back some lederhosen from Germany, when he was in the Army. I loved babysitting for her children and loved talking with her. My love, prayers and hugs go out to the family. ❤️*”
