“ Lee and Family, Moe and I was so sadden to hear of Kathy's passing. I first met Kathy many years ago when our kids were involved with Pop Warner and I would help out at the Concession stand. Since that time we managed to remain good friends. Then she talked me into working with her at the Town Hall during the elections. I hesitated at first but through her guidance it was a blessing. We had many good times together shopping at some of the same places down to even having the same nail tech. I am going to miss my dear friend and I know she will keep them laughing up in Heaven. Rest easy my friend.

“ *Kathy was a good friend to so many. I remember Kathy and Lee for their support when my husband was on an unaccompanied tour to Korea and I was pregnant. Kathy and I went thru classes and she was my labor coach when Erika was born. She did a great job. Additionally Alex and I spent many enjoyable times in their home with friends playing cards and laughing. Alex always complained that the shag carpet ate his pennies. She was a grand gal.*

“ Ron and I are so sad that Kathie has passed. She was a wonderful friend to both of us. I have so many memories of Kathie but one that really stands out to me was the time we worked together along with a group of fellow Elks to create the float for the Chelmsford Elks. We then rode on the float in the Chelmsford 4th of July Parade. We had lots of fun times together in Reno and San Antonio for the conventions, our wedding, parties at our house and of course the many events held at the Elks. We will miss her. Love to you and your family ❤️ Marsha and Ron Fuller
