My sincere condolences to Kathy's family on their recent loss. Unfortunately, the world just lost an amazing soul, one of the good ones. I met Kathy many years ago while living and working in Concord. Kathy and I shared a love of laughter, young children and outdoor adventure. It was both a privilege and a pleasure to spend time with Kathy. Whether we were paddling in a war canoe, teaching preschoolers, cooking in Tory's kitchen, or just pondering life. RIP my friend.

I shared two photos, the first one is my favorite picture of Kathy. I think it captures her fun loving spirit and ability to make paddling a leaky war canoe FUN! The other is a picture of Kathy and Patty Donahue back in the day.

“ To Kathy's family, I give you my deepest sympathies. I worked with Kathy for several years at Lovelane during her Sunday lesson shift. She was such a bright light! Her passion for children and therapeutic riding was evident in everything she did. When I'd arrive each Sunday morning to the barn, Kathy's lovely smile would always be there to greet me. Working with her for so long, we had a great rhythm. What a joy that was! I learned a lot from Kathy. Her mentorship, made me a better horse leader and side-walker. I feel blessed to have gotten to know Kathy at Lovelane (especially hearing about the family she loved and her grandson with whom she was absolutely smitten!). It's having people like Kathy in our lives that make our journey so much richer.

*I've included 2 photos, one is from Lovelane's 25th anniversary party featuring me, Kathy, and Jen, another "Sunday" Lovelane instructor. The second is with Kathy and her Sunday morning crew.

“ My heart goes out to Kathy's family at this time. I worked closely with Kathy at Lovelane for many years, and we kept in touch years to follow. She was such a wonderful, funny and thoughtful person. We shared many laughs together, and always kept in touch through Facebook. I'm deeply saddened by this news. I am so fortunate to have the privilege of being her friend all these years. Trips to Equine Affair won't be the same without looking for her at the PATH booth so we could briefly catch up with a hug. Thoughts and prayers go out to Kathys family and all that feel this great loss. I will miss you my friend <3

I was very sad to hear of Kathy's passing, she will be sincerely missed by all who knew her. I have known Kathy for many years, having first met her while working together at Concord Children's Center where she became a close friend until I got married,(she was one of my bridesmaids) and I moved away. Many years later she came to work at L.L. Bean where I would have the joy of working with her again. I loved catching up, hearing about her family and especially her adventures with her grandson. My heart goes out to her family at this very difficult time.
